Pursuit for Social Equality

ONLINE EDUCATION SYSTEM

Introduction / Objectives

- To provide an opportunity for SC youths from Maharashtra in various sectors, to work or to start their own micro enterprises with great results and building success stories.

- To train the underprivileged, unemployed, unskilled, semi-skilled trainee from the SC community and to make them skilled and employable.

- To compile authentic data for the development of SC's through research and to promote research through fellowship, collaboration, conferences, seminars and workshops.
