**WAXOYL ANTI-AGEING TREATMENT FOR CARS, NOW IN INDIA.**

Your car is now safe against rust, corrosion, dirt and UV rays. With Waxoyl, an auto-care treatment that protects your car against all environmental influences. And gives it a long lasting, deep-wet gloss. Waxoyl also repels spills of coffee, tea etc. and keeps the upholstery stain-free. The plastics and the underbody also remain spotlessly clean. The treatment is so effective that GM, Nissan, Honda and Mitsubishi have recommended it abroad. The U.N. Police Force, to extend their cars' life, also uses Waxoyl. Which comes with an assurance that your car will stay new, bumper-to-bumper, inside-out, for years to come.

**ADDING GREEN TO ANDHRA'S HERITAGE**

COMPLETED WORLD'S SECOND LARGEST IRRIGATION PROJECT: IRANAGODU TALUK, AP - 3800000 ACRES.

Approximately 1000 km² of land has been converted to agricultural land. This irrigation project in AP, Asia's first in power to generate hydro power, has transformed the landscape. It has increased the irrigation coverage by 100% and also the output of agriculture by 100%. The project has created 100000 new jobs and has provided 100000 families with employment. 100000 families are now self-sufficient in food and are no longer in poverty. Project costs are estimated at Rs. 10000 crores. The project is a joint venture between KBL and the Government of Andhra Pradesh. KBL engineers are involved in the design, and are involved in project planning, implementation, site visits, monitoring, and evaluation.

**INDIRECT CONTRACTOR**  
Kirloskar Brothers Limited is a leading manufacturer of industrial pumps and compressors. It has supplied over 100000 units of its products for Agricultural use. 100,000 Pumps in various processes for Non-Agricultural use - 10000 TPH • Brine Pump • Auger / 1000 TPH • Sewage Pump • 10000 TPH • Industrial Water Supply • 10000 TPH • Industrial Water Supply • 10000 TPH

**CONTRACTS HELD**  
KBL has won 10 major contracts for Irrigation and Pumping Systems and Pumping Works in Andhra Pradesh, Bihar, Jharkhand, Maharashtra, and Madhya Pradesh.

Kirloskar  
Enriching Lives

After almighty, we dared to do it in India.

India's first indigenously developed Process Pumps for desalination of seawater.

Solving almost one century old issues of potable drinking water management solutions, Kirloskar Brothers Limited KBL has successfully come up with a major breakthrough innovation in India. We have recently introduced an indigenous range of Desalination Process Pumps. It is committed to the needs of various industries dealing with water and wastewater management. These pumps are highly efficient, reliable, cost effective, have minimum maintenance, these pumps are ideal for processing saline water, for drinking water, irrigation, industrial applications, marine applications, oil and gas industry, food and pharmaceuticals. We believe in making India self-reliant by reducing the exploitation of groundwater resources.

**Sead Award | Best Concept Director | 2005**

When it comes to innovative, highly advanced and techno-economic pumping solutions for the Power and Energy Sector, Kirloskar Brothers Ltd. (KBL) doesn't even need a mention. Being India's largest manufacturer and exporter of pumps and also the largest infrastructure engineering project contractor in Asia, KBL has been consistently rendering benchmarks in the segment. The following facts add weight to this proposition:

**CAN POWER GET MORE POWERFUL THAN THIS?**

**POWER PACKED BENCHMARKS:**

- Largest CW Pump Installation for Thermal Power Plant in India
- India's First Ultra-Mega-Power Project
- One of the World's Largest CW Pump House Application for 1000 MW Super Critical Power Plant
- Largest Horizontal Split Casing Pump for Oil application for BHEL Power Plant (Thermal Power Plant) in India
- Largest Side Butterfly Valve for Essar Power Satya Thermal Power Projects in India
- Successful commissioning of one of the Largest CW Pump at Central Thermoelectrica Santa Marta, Chile Project of Colbun SA in Latin America.
- Successful commissioning of CW Pump for one of the Largest Green Field Power Plant in North America.
- Successful commissioning of 1025.6 MW of vertical Kaplan Turbines for a Hydro-Power Project in Taiwan.
- Largest Indigenous Developed Condensate Extraction Pump for I&T Krishnapatnam Project of APGENCO.
- Largest HT Pumps for CW Application in India for Adani Tivda TRP.

**TRUSTED PARTNERS FOR RELIABLE AND INNOVATIVE PUMPING SOLUTIONS**

Pumps | Valves | Motors | Hydro Turbines | Turnkey Projects

**KIRLOSKAR BROTHERS LIMITED**

Corporate Office: "YAMUNA", S. No. 98 C-7, Patel Plaza, 411 048, India  
Phone: 022 2771 4444 | [www.kbl.co.in](http://www.kbl.co.in)

IF PUMP IS  
YOUR FIRST  
BABY

LET'S MEET UP

Kirloskar  
Enriching Lives

Established in 1888 and incorporated in 1920, Kirloskar Brothers (now KBL) is the flagship company of the ₹ 2.4 billion Kirloskar group. We are India's largest manufacturer and exporter of pumps and also the largest effluent/pumping project contractor in Asia. Our pump and pumping systems are preferred by the leading players in sectors like Irrigation, Water Resource Management, Building and Construction, Industry, Energy, QV and Gas, Mining and Defence. We offer best in class training environment and promising growth opportunities. We are looking for people across the globe for senior (25 years of experience) to executive management (10 years of experience) in these and other major industries in India for the following business industries:

Plant Industry | EPC project industry | Nuclear Industry | Hydro-Power Plant Suppliers | Water and Irrigation Sector

#### Engineering & Design

#### Project Engineering & Design

Degrees in Mechanical / Electrical / Civil / Instrumentation, Experience in Startup project planning, monitoring and execution in hydropower and major projects of ARI, culture focus hydroponics, thermal power-modular plants, irrigation and water recycling, ability to work on project prioritization, innovation, leadership, customer relationship, contract management, vendor relationship, client management and risk management, contract management, contract negotiation, open book of bid, team-leading in market, proficiency in cost management, procurement and ERP system, liaison communication and risk management, bid management.

#### Marketing & Business Development

Degrees / Diploma in engineering, fluent proficiency in marketing, preferred with experience in direct marketing / sales and sales, and selling partners. Candidates should have good knowledge about products, market dynamics, and ability to work in a team environment, strong communication skills and personality. Experience of demands and implementation sales & marketing, candidates should be positive, communicative, responsible and exhibit solid, innovative selling experience in engineering - with additional advantage.

#### Sales Manager

Experience in sales, minimum 10 years in sales in industry. .... 20+ years experience present Annual ITC certification. Please attach resume@kbl.com for interview schedule.

#### R&D Engineers

Degrees / Diploma in Mechanical / Civil / Electrical with 3 to 10 yrs experience at project sites related to Water Irrigation and Power projects. Should be such areas with experience, involves in commissioning of machinery & equipments and other related auxiliary system. To contribute with clients and customers the basic idea one area. Should be able to carry forward training, responsibilities for the safety of lives and material at site, strict adherence and strict compliance with the relevant codes and standards as per the concerned organization. Good office function.

#### Quality and Testing Engineers

#### Design Engineers

Degrees / Diploma in Mechanical / Civil / Electrical with 3 to 10 yrs experience in design and development of pumps used in diverse pharmaceuticals/chemicals/industries of irrigation, marketing support and preparation of cost estimation, design, plan, execution of R&D, M&D activities, identification of new products, market analysis, and ability to work in a team environment. Proficiency in Microsoft Office, Project Management, English, Mathematics, Physics, Chemistry, Biology, Electronics, Electrical, Civil, Chemical, Metallurgy, Bio-Technology, Chemical, Industrial, Polymer, Plastic, Rubber, Ceramic, Glass, AutoCAD, Drawing of hydro-mechanical components, Microsoft Word, Microsoft Excel, Microsoft Power Point.

Idea

Scientific approach to shed that extra "ZERO"

Obesity is fast becoming an epidemic in India, with morbid obesity affecting 5% of the country's population. Unhealthy eating habits and unhealthy eating are few of the reasons why Indians are being susceptible to obesity. If not taken care now, it will surely cause a serious problem in the future. Aditya Birla Memorial Hospital Obesity Clinic is a state-of-the-art clinic where the entire meal and workout program will be committed to provide one of the best weight loss program, so that you shed those extra kilos with a scientific approach.

Services offered at Aditya Birla Memorial Hospital Obesity Clinic include

- Weight loss to lower elevated blood pressure in overweight ▪ Weight loss for the correction of diabetes ▪ Weight loss for obese diabetics and lowering of elevated sugar levels ▪ Child obesity ▪ Adolescent obesity ▪ Infertility ▪ Osteoarthritis ▪ Weight loss for general fitness.

10 AM - 10 PM - 7 DAYS A WEEK - HAPPY HOUR

## Swissair's invitation to Singapore, twice a week, rings with a grace as charming as the city.

The gentle sound of the wind chime shown here often reminds people of our unobtrusive service enjoyed en route to Singapore. The Friday flight from Bombay is non-stop while the Sunday departure has a brief halt

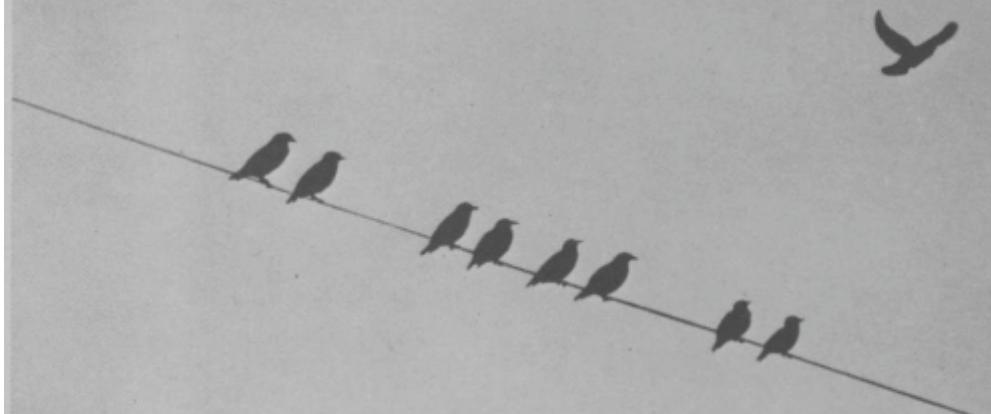

in Colombo. We have 8 (not 9) seats in a row in our economy cabins to give you more room for comfort and access to our hospitality. All told, a charming offer worth remembering whenever Singapore beckons you.

For details call your IATA travel agent or the nearest Swissair office:  
AHMEDABAD 38061 • BANGALORE 21061 • CALCUTTA  
31080 • BOMBAY 21062 • CALVARY 21074  
440643 • DELHI 322077 • ERNAKULAM  
32380 • HYDERABAD 33357 • KATHMANDU 12451 • MADRAS 82981

Even cargo by Swissair gets Swisscare.

## Because every extra cm of space adds km to your comfort, Swissair has 8 instead of 9 seats abreast in the economy class.

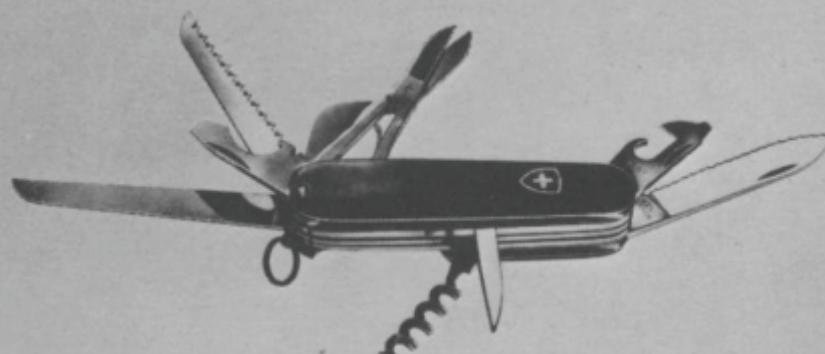

Most airlines know that passenger comfort can be heightened if there's more room for each passenger to sit and enjoy cabin service. But only a few do something about it. Swissair, as you know, is in the practising minority. With 8 (not 9) seats in a row in its DC-10s and 9, instead of 10,

seats in trans-Atlantic 747s. More room for you, but fewer seats for us to sell on every flight, in short. But full value for our full paying passengers who prefer to keep flying with us time after time.

For details call your IATA travel agent or the nearest Swissair office:  
AHMEDABAD 38061 • BANGALORE 21061 • CALCUTTA  
31080 • BOMBAY 21062 • CALVARY 21074  
440643 • DELHI 322077 • ERNAKULAM  
32380 • HYDERABAD 33357 • KATHMANDU 12451 • MADRAS 82981

## Amazing how much you can do in a short transit stopover in Switzerland.

Experienced business travellers will vouch that Zurich and Geneva offer the best organised havens for transit passengers. Everything you'd like to reach is within quick and easy reach. Communications, conference facilities, shopping, rest and

refreshments, the lot. In fact, so pleasurable and profitable is a stopover in Switzerland, you never realise how time can fly on the ground till you've passed a bit of it there.

For details call your IATA travel agent or the nearest Swissair office:  
AHMEDABAD 38061 • BANGALORE 21061 • CALCUTTA  
31080 • BOMBAY 21062 • CALVARY 21074  
440643 • DELHI 322077 • ERNAKULAM  
32380 • HYDERABAD 33357 • KATHMANDU 12451 • MADRAS 82981

Even cargo by Swissair gets Swisscare.

A project by Kumar & Associates  
**Winton Park**  
The High Life

**WHAT PRICE WOULD YOU PAY?** For a little time now, to experience the smaller joys of life, to connect with your heart and to truly live the high life.

With hand picked of wood, solid colors from nature and encapsulating the essence of pure life style, Kumar Builders brings you a masterpiece, Winton Park, The High Life.

High above the muggles, nestled in the cypress barks, lots and compensated by the magnificence Biking Room, Winton Park is the dream of Aravangam.

Using their starting full service as a canvas, Winton Park boasts of over 100 acres integrated, featuring beauty and leisure, playground, several pools, multi-pool swimming pools and make your life private person.

Join the high life and most of all chicken peace and security. Indeed a small price to pay.

## TRANQUILITY . WHAT'S THE PRICE YOU'D PAY?

It's privacy you yearn. Here Windzai Park is the answer. Here you will have space with the sky and the sunsets and trees gently swaying, spread over 50 acres of lush green land the houses at Windzai Park create space and elegance where calm, sunlight and shade, peace, are the only sights.

Admiring the sunlight and breeze at Windzai Park's cascading waterfalls and meandering walkways that have you transported; attention to detail, like craftsmanship and meticulous planning, together create this as your very own hub of rejuvenation.

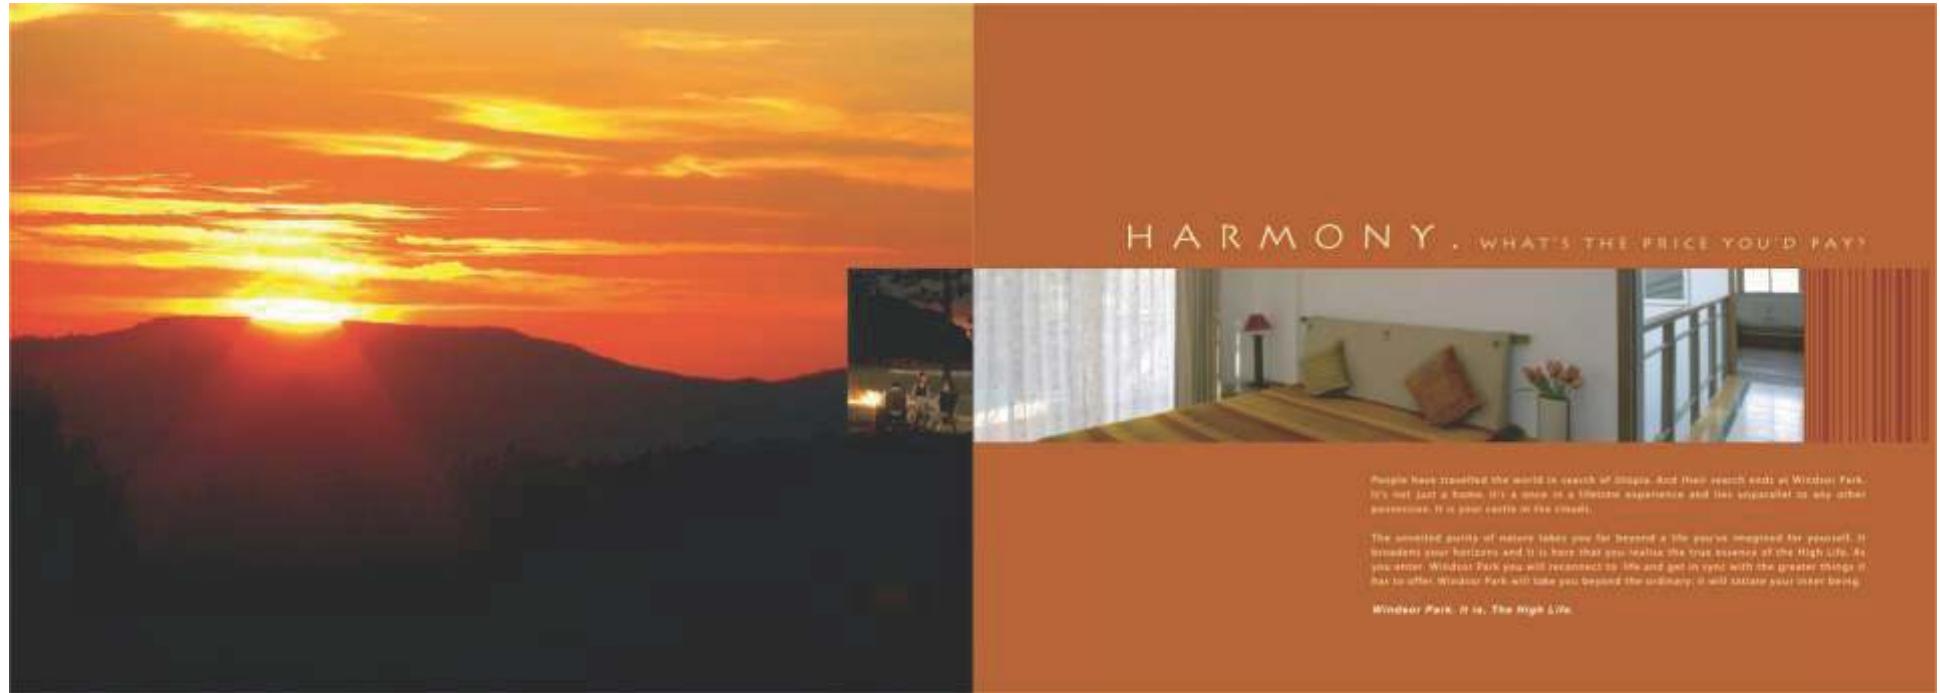

Windzai Park is a place of tranquillity where silence is only broken by the melody of nature, laughter of your loved ones or whispers of the leaves. Indeed, a high life that's truly imaginable.

## SOLITUDE . WHAT'S THE PRICE YOU'D PAY?

At a time when the world is moving faster than ever, relish the "high" of the high life at Windzai Park. You can enjoy the soothing ripples of the rainfall or catch up on your reading by the fireplace. Only at Windzai Park can you expect a life full of enrichment, each day more fulfilling than the last. Quiet strolls down the blossoming paths and evenings spent in the magical Shalimar gardens. It is what makes Windzai Park a surreal experience.

Windzai Park is the perfect place for unassisted leisure that truly defines the High Life, making it priceless.

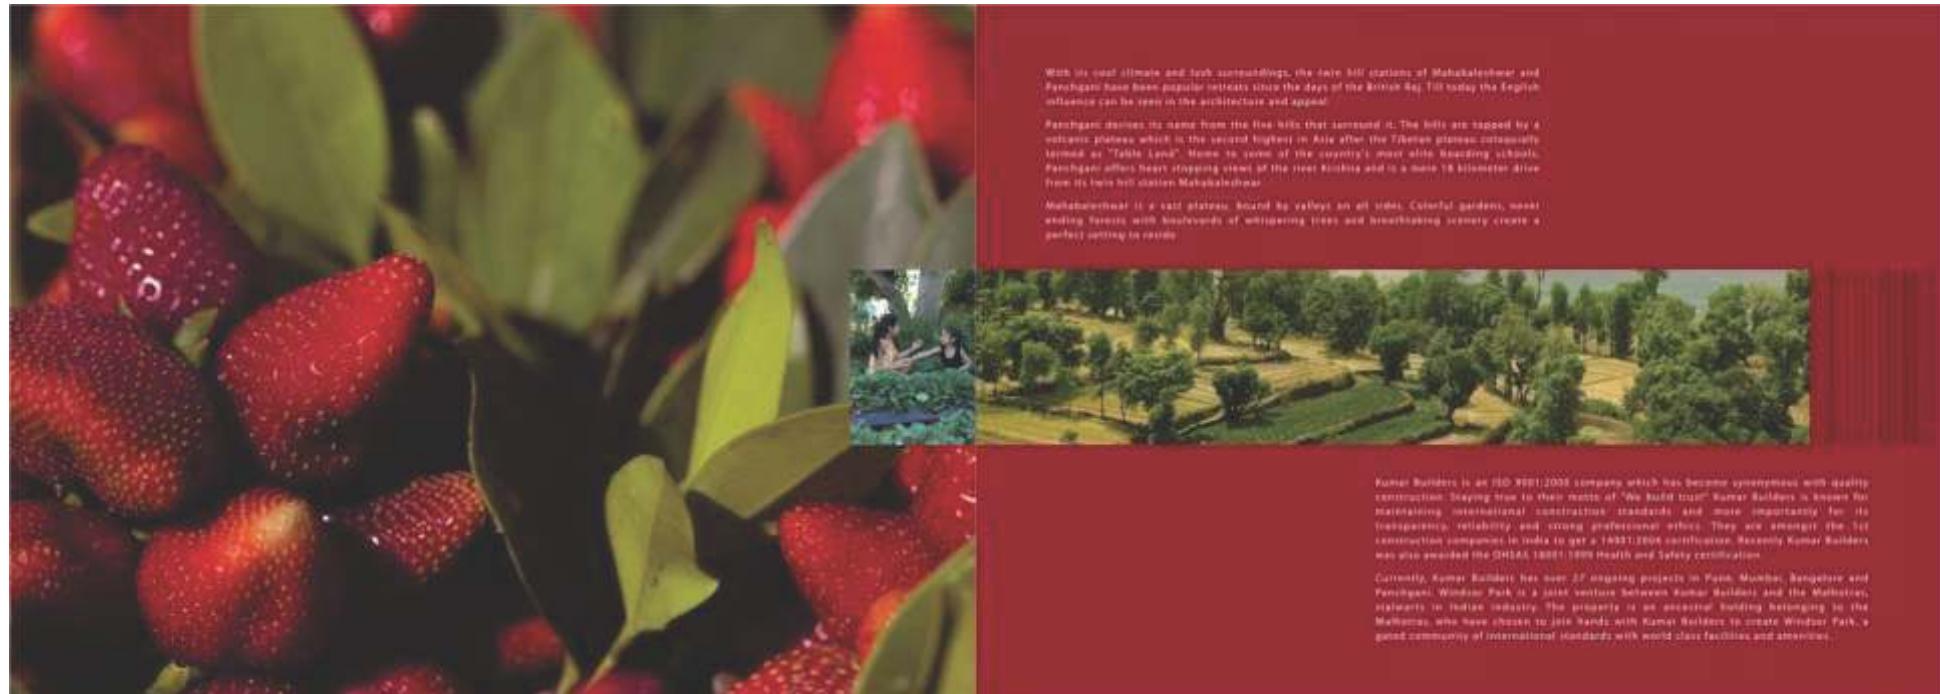

## HARMONY. WHAT'S THE PRICE YOU'D PAY?

People have travelled the world in search of escape. And their search ends at Windsor Park. It's not just a home, it's a once in a lifetime experience and the unmatched luxury other properties. It is your castle in the clouds.

The unspoiled purity of nature takes you far beyond a life you've imagined for yourself. It broadens your horizons and it is here that you realize the true essence of the high life. As you enter Windsor Park you will reconnect to life and get in sync with the greater things it has to offer. Windsor Park will take you beyond the ordinary; it will enhance your inner being.

Windsor Park. It is. The High Life.

With its cool climate and lush surroundings, the hilly hill stations of Malshejghat and Panchgani have been popular retreats since the days of the British Raj. Till today the English influence can be seen in the architecture and appeal.

Panchgani derives its name from the five hills that surround it. The hills are capped by a volcanic plateau which is the second highest in Asia after the Tibetan plateau (commonly termed as "Table Land"). Home to some of the country's most elite boarding schools, Panchgani offers heart stopping views of the river Krishna and is a mere 18 kilometer drive from its twin hill station Malshejghat.

Malshejghat is a vast plateau bound by valleys on all sides. Colorful gardens, winding forests with boulevards of whitewashed trees and breathtaking scenery create a perfect setting to reside.

Kumar Builders is an ISO 9001:2008 company which has become synonymous with quality construction. Staying true to their motto of "We build trust" Kumar Builders is known for maintaining international construction standards and more importantly for its transparency, reliability, and strong professional ethics. They are amongst the top construction companies in India to get a 14933:2006 certification. Recently Kumar Builders was also awarded the OHSAS 18001:1999 Health and Safety certification.

Currently, Kumar Builders has over 27 ongoing projects in Nashik, Mumbai, Bangalore and Panchgani. Windsor Park is a joint venture between Kumar Builders and the Maharashtra Estates in India's industry. This property is an ancestral building belonging to the Malwade, who have chosen to join hands with Kumar Builders to create Windsor Park, a gated community of international standards with world class facilities and amenities.

The screenshot shows the homepage of the 'DOWNTOWN' website. At the top, there are three main navigation categories: 'LIVING Residential >', 'WORKING Commercial >', and 'PLAYING Recreation >'. Below this is a large, stylized banner with a green and gold color scheme. The banner features a speech bubble containing the text 'THE LANGSTON' and the tagline 'A TITANIAN PROJECT WITH THE FINESSE OF GLAMOUR. THE LANGSTON IS ALL BUT A NORMAL 24K PROJECT.' It also includes illustrations of a person walking, a butterfly, a tree, and a cocktail glass. Below the banner is a green bar with the text 'Latest News' followed by a link to '10 Jun, 2011 | Latest news about all news, stories and more... MORE >' and a 'VIEW OUR NEWSLETTER' button. Further down, there are links for 'About Vibrant Pune', 'Buzz in Town', and 'Newsletter Sign up'. On the left side, there are two input fields for newsletter sign-up: 'Enter your name:' and 'Enter email address:', each with a corresponding 'GO >' button. To the right of these fields is a small graphic of a person running and the text 'What makes Downtown an Investor's Paradise' with a 'KNOW MORE' button. Next to it is another button labeled 'Click Here > VIEW OUR LOCATION MAP' with a map icon.

This screenshot shows the same 'DOWNTOWN' website layout as the one above, but with a different banner. The new banner features a green and yellow color scheme and depicts a vibrant city scene with silhouettes of people walking, a car driving, and a park-like area with trees and a lake. Below this banner is the same green 'Latest News' bar and newsletter sign-up fields. At the bottom of the page, there is a section for 'Mausam Lake Park' with a small image of a lake and the text 'Cras ultricies, eget ipsum posuere, nec tristique magna pharetra magna id dapibus tempus.' followed by a 'KNOW MORE' button. To the right of this is a large, bold text block that reads 'SEEKING A BULK BUY?' followed by 'Check the benefits >' and a decorative graphic of a bird perched on a branch.
