The work of repairing /replacing of cables/shifting of cables are of urgent execution of work from the working agency i.e. M/S Konark Infrastructure water supply (UMC) J/V. The accepted tender sub work no 12 Item no 1 provides with items of shifting of cables of various size ranging from 2.5 sqmm to 16 sqmm but above size cables are not provided in tender. The accepted tender sub work no 12 Item no 2 and 3 provides with items of shifting of DP and pole in which there is saving. The agency has executed the work and hence part payment of above work is proposed as under Item no 2 and 3 of sub work no 12.

Clause 8 : No payment shall be made for any work estimated to cost less than Rupees one thousand till the whole of work shall have been completed and a certificate of completion given. But in the case of works estimated to cost more than Rupees one thousand the contractor shall on submitting a monthly bill there for be entitled to receive payment proportionate to the part of the work than approved and passed by the Engineer-in-charge, whose certificate of such approval and passing of the sum so payable shall be final and conclusive against the contractor. All such intermediate payments shall be regarded as payment by way of advance against the final payments only and not as payments for work actually done and completed and shall not preclude the Engineer-in-charge for requiring any bad, unsound, imperfect or unskillful work to be removed or

taken away and reconstructed or re-erected nor shall any such payment to considered as an admission of the due performance of the contract or any part thereof in any respect or the occurring of any claim nor shall it conclude determine or affect in any other way the powers of the Engineer-in-charge as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. The final bill shall be submitted by the contractor within one month of the date fixed for the completion of the work otherwise the Engineer-in-charge's certificate of the measurements and of the total amount payable for the work shall be final and binding on all parties.
