--NIL--

PART II - A: Major Observations

--NIL--

PART II - B: Other Irregularities

Para 1: Non recovery of interest on delayed payment of weekly installments of octroi amounting to Rs. 21,03,235

Ulhasnagar Municipal Corporation had decided to entrust the work of collection of octroi to a private agent considering the facts that appointment of agent for collection of octroi can fetch more revenue for the Corporation and employees engaged in the work of collection of octroi could be utilized for other works.

According to provisions contained in The Bombay Provincial Municipal Corporation Act, 1949, the Commissioner is empowered to appoint an agent for collection of octroi.

-3-

The period of the collection of octroi by private agents should not exceed for more than one year at a time.

The work of collection of octroi was entrusted to M/s Konark Infrastructure Ltd during the year 2011-12 and 2012-13 after following due process. An agreement was executed between the Corporation and the agent.

As per the clause 3 and 4 of the agreement a fixed installment was to be paid in cash to the Corporation every Thursday which was Rs. 2,15,30,467/- for the period 01.04.2010 to 30.06.2010, Rs.2,27,96,053/- for the period 01.07.2010 to 31.03.2011 and Rs.2,54,21,400/- for the period 01.04.2011 to 31.03.2012.

Further, as per clause 5 of the said agreement if the agent does not pay the amount of installment on the due date, the agent shall be liable to pay the interest @ 20 per cent per annum on the amount of the installments so defaulted from the date of default to the payment of that installment.

Scrutiny of records relating to payment of octroi revealed that the agent did not pay any of the installments on the due date. For default in payment of installment the interest payable was neither demanded by the Corporation nor paid by the agent. This resulted in non levy of interest on delayed payment of installments amounting to Rs.21,03,235 as detailed in **Annexure-A**.

On this being pointed out in audit, department stated that matter would be verified and necessary action would be taken under intimation to audit.

Further progress is awaited

Para 2: Short payment of stamp duty Rs. 18.45 lakh

As per Section 34 of the Bombay Stamp Act, 1958 no instrument chargeable with duty shall admitted in evidence for any purpose by any person having by law or consent of parties authority to receive or shall be acted upon registered or a authenticated by any such person or by any public officer unless such instrument is duly stamped. Further as per Section 34(a)(ii) a penalty at the rate of 2 per cent of the deficient portion of the stamp duty for every month or part thereof, from the date of execution of such instrument. As per GR dated 20.11.2009 the stamp duty payable on a work contract should be at the rate of 'Rs.100, where the value of the contract

municipal corporation/ulhas-16/dir, umc, lbt.docx

does not exceed Rs.10 lakh and if the contract exceeds Rs. 10 lakh the stamp duty is payable at the rate of Rs. 100/- for every one lakh or part there of above Rs.10 lakh.

On scrutiny of records and tender document it was noticed that the Ulhasnagar Municipal corporation had entered into an agreement with M/s Konark Infrastructure for collection of octroi and work order was issued for Rs.86 crore for the year 2010-11 and Rs. 127 crore for the year 2011-12. Further scrutiny also revealed that as per clause no.20 of the agreements it was duty of the agent to pay the stamp duty payable for the agreement under the Bombay Stamp Act. However, the required stamp duty was neither paid by the agent nor any action was taken by the Municipal Authority. This resulted in not only non observance of agreement clause but also loss of revenue to the Govt of Rs.18,65,100 as detailed below:

Sr. No.	Name of Work	Name of Contractor	Accepted Cost (Rs.)	Stamp duty to be payable	Actual stamp duty	Short Payment (Rs.)
1.	Collection of octroi	Konark Infrastucture	866250000	865300	paid 100/-	865200
2.	Collection of octroi	Konark Infrastucture	1271070000	1000000	100/-	9,99,900/-
			otal			1865100

On this being pointed out in audit the department stated that matter is pending in court and necessary action would be taken after final outcome.

The reply of the department is not tenable as the matter in court is not related regarding payment of stamp duty. For the agreements of earlier years the stamp duty was paid by the agent.

Further progress is awaited.

Para 3: Short payment of octroi amounting to Rs. 17.93 crore by octroi agent.

A)The work of collection of octroi was entrusted to M/s Konark Infrastructure Ltd during the period from 01.04.2011 to 31.03.2012 on weekly payment of Rs. 2,54,21,400. It was decided by the GOM to discontinue the octroi by replacing it with Local Body Tax with effect from 01.07.2012.

Further scrutiny revealed that after following the due procedure, the Corporation decided to continue the contract of collection of octroi with M/s Konark Infrastructure for the period from 19.04.2012 to 30.06.2012. i.e. for 72 days and amount payable by the agent was

Rs.28,83,41,352. In this connection, it was observed that there was no system for collection of octroi during the period 0.1.04.2012 to 18.04.2012. This resulted in loss of octroi of atleast Rs.6,53,69,340 (2.54,21,400/7 x 18, Rs. 25421400 was weekly payment fixed for prior to period 01.04.2012). The details of the same were called for in audit however, no details were furnished.

- B) While scrutiny of bank statement for the period 01.04.2012 to 30.06.2012 (since cash book was not made available) it was observed that the department had received only Rs. 18,41,96,834 on account of octroi from the agent, However, for period from 19.04.2012 to 30.06.2012 the amount payable was Rs. 28,83,41,352 Thus the difference of Rs. 10, 41, 44,518 needs further verification..
- (C) While scrutiny of bank statement of the account no. 910020039786625 which was maintained for collection of octroi it was observed that a negative balance of Rs.- 60071115 was shown in the bank account which was continued till the 31.03.2013. As the negative balance in account of depositing of octroi revenue is not possible, the reasons for negative balances in said accounts were called for in audit.

On this being pointed out in audit the department stated that the contract was executed for the period 19.4.12 to 30.6.12. The department was silent in respect of the second issue raised..

Further progress is awaited.

Para 4: Non maintenance of a separate cash book for collection of octroi.

As per the provisions contained in the Municipal Account code 1971, a General Cash Book is required to be maintained for the receipts and payments and the entries are to be made daily and to be attested by an authorized officer. Further, it is also the duty of the department to maintain the cheque register to watch the recoveries and dishonour of cheques. The receipt of the department should be reconciled with cash book and bank account. In Ulhasnagar Municipal Corporation the collection of the octroi was entrusted to a private agent M/s Konark Infrastructure Ltd and a fixed amount was to be paid by the agent to the corporation on weekly basis.

On scrutiny of records relating to collection of octroi it was noticed that no records relating to payment of octroi by the agent was maintained for the period from 01.04.2007 to 31.06.2013. In absence of which audit could not verify the actual realization of the revenue. Further, reconciliation of the receipt with municipal accounts and bank pass book was also not available on the record. The reasons for non maintenance of basic records were called for in audit.

On this being pointed out in audit the department stated that the cash book would be maintained henceforth. The reply of the department is not tenable as the audit objection pertains to the years 2007-13 and due to absence of the same audit could not verify the correctness of the recovery of the octroi.

Further progress is awaited.

Para 5: Pending Assessment

On scrutiny of information furnished by the department it was observed that there was no streamlined arrangement of registration and assessment of dealers for levy of Local Body Tax in the Ulhasnagar Municipal Corporation during the year 2012-2013 to 2015-16. The corporation has hired the services of some five retired Sales Tax Officials from Oct 2015 and it was stated that 59,610 cases were still pending for assessment.

Further, it was also noticed that the department had not maintained the register indicating No. of dealers registered, assessment done, Name of the dealers, Turnover of sale/purchases, Tax collected, dues/Refund etc. In absence of any such details audit could not ascertain the actual No. of dealers registered. assessment done and pending assessment.

On this being pointed out in audit the department stated that assessment would be done as early as possible and necessary register would be maintained henceforth.

Further progress is awaited.
